If There Is A Mistake. We make every attempt to avoid errors in pricing, artwork and product information, but we are only human. If a mistake occurs, we reserve the right to correct it.

Prices And Payments. All prices and SmartBuy payments reflect using factory incentives and rebates, are subject to change if and when factory programs change, and unless otherwise stated exclude tax, title, and license and doc fees. Dealers are ineligible for advertised prices and leases.

All used vehicle payments exclude tax, title, and license. All loans are subject to bank approval to qualified buyers. **About Rebates.** All advertised prices are subject to factory rebates and dealer incentives in effect at the time of the printing of this catalog, and are subject to change.

We have one vehicle at each advertised price, unless otherwise stated. If we sell out of any new vehicle, we'll order you one... same equipment, same price, provided the model, rebate, and other incentives are still available, unless otherwise stated. **Artwork.** Each year the factory supplies us with drawings of their new vehicles. We do our best to use the closest drawing possible, but in some cases the artwork shows options that do not come with the advertised vehicle. As a rule of thumb, go by our descriptions. **Kelley Blue Book Value:** Any reference to book values in this catalog reflect equipment and mileage (adds or deductions) represent NADA's national and retail book average price.
